Dear Members of the Colney Heath Parish Council,

**Roestock Park Scout Headquarters – Reference: CHSG/3/2023**

With regards to the planning agreement for the housing development on Fellows Lane and Bullen Greens Lane, Colney Heath.

For the Planning obligations under Section 106, we understand that money has been allocated to support Scouting – please can you confirm how we might best go about applying for the S106 money from Taylor Wimpey and let us know what is the process to formally apply for the funding that was agreed as part of the planning agreement?

If this request is via the Colney Heath Parish Council then please take this letter as a formal application for the S106 funding for the development mentioned above.

If we have to apply directly to Taylor Wimpey or the St Albans District Council then please let us have some details.

We look forward to hearing from you.

Yours sincerely,

Matthew May  
Chairman, Colney Heath Scout Group
